INDUSTRY ACADEMIA CONCLAVE

Theme: Sustainable Aviation in India

18th October 2024

Tiruchirappalli, Tamil Nadu

Organized by

Aeronautical Society of India, Chennai Branch

About Conclave

The AeSI Industry Academia Conclave 2024, hosted by the Chennai branch of the Aeronautical Society of India, is a key event for aerospace professionals, academicians, and students. The conclave features thematic sessions on futuristic sustainable aviation in India thereby enhancing the industry-academia collaboration towards attaining this objective. Attendees can explore innovative technologies through the keynote lectures and panel discussions. The event also highlights the student involvement through design competition, providing opportunities for young professionals to present their work and connect with mentors. Overall, the conclave facilitates valuable exchanges and collaboration, advancing the aerospace sector through shared expertise and innovation.

About Tiruchirappalli

Tiruchirappalli, commonly known as Trichy, is a historic city in Tamil Nadu, India. Renowned for its rich cultural heritage, Trichy is home to impressive temples like the Ranganathaswamy Temple and the Rockfort Temple. The city also serves as an important educational and industrial hub with various aerospace and defense industries. Its strategic location and vibrant history make it a key player in the region's economic and cultural landscape.
